

“LOST MAGAZINES FOUND AND REVEAL A LOT OF PAST HISTORY OF ASSIST”

Dear Readers

One of my priorities, goals as a Past President of ASSIST was to put all the magazine's published on your Web for you to review at your leisure.

However some of the problems I had when talking to the late Ann Ball who published the first magazines "A.S.S.I.S.T. Update" was that she gave all the files to the Historian, however all our files were lost; when Houston had one of the great floods they have been known to have destroying all files.

I then tracked down a Assist Member who stated he had his own personal copies of the ASSIST Update, with a promise that if he hand delivered them to me, I would take the time to have them copied and then returned back to him "Certified Mail"

When seeing them I immediately recognized the fact by reading each of them that there was a lot of past history and interesting articles of our Security Profession passing laws and working to improve our security profession, and that this was a "must read" for anyone in the Security Profession.

I then wanted to copy them, however because of the size of the magazines this could not be done with regular size office machines, thanks to Sun City Security they upgraded to a new Office machine that had the capability to copy them.

I would like to give a special thanks to Bob Burt from TOS Security, Houston who furnished the lost copies, and to Sun City Service, Inc., El Paso Texas Partners Bruno Torres Jr., and Jessie Ruelas who agreed to have our office manager Amy Lister who did the work and got the back to me to post on the web in PDF form.

Please take the time at your leisure and read not only the ASSIST Update but the other as well see how the names have changed to the present magazine "Managing Security Today"

Note: You will notice there are Two ASSIST Update magazines titled Jan – Mar 1994 which are titled Vol. 3 No. 2 – Vol. 3 No. 3 they are different mistake just an honest mistake on the dates when published.

Unfortunately we are missing from the A.S.S.I.S.T. Update the following issues:
Vol. 1 No.2 and Vol. 2 No. 2

Should you have them please let me know so I can complete the series, you may call me or email me. Please also take the time out to see if you have any of the missing articles for ASSIST Messenger by visiting your web <http://assisttexas.org/>

The Magazines names (Chronological Order) are:

A.S.S.I.S.T. Update
ASSIST Messenger
Managing Security Today
