Greetings!

Good Morning. I hope everyone is keeping dry.

ASSIST Membership is on the rise!

Since January we have added 80 new and renewing members. If we keep this pace up, we should get close to 200 by the end of 2015.

It is very important that we reach out to our members on a regular basis to let them know that we appreciate their participation and membership.

Attached is the latest list of new and renewing members. Please reach out and say hello.

As I mentioned previously, some of the membership applications are hard to read. If you cannot reach the member by the information that I provide, I probably got it wrong. Please use your investigative skills to find the member.

Click HERE to see the year to date list of member payments.

Thank you for all that you do to help ASSIST keep growing and thriving.

Sincerely,

Denise Nicholson
ASSIST Texas
